# The Agility Series of Light-Duty Poles

King Luminaire is proud to introduce its line of light duty aluminum poles. Ideal for commercial applications such as banks, parking lots, and shopping centers, but also a great fit for various other applications with owners looking to provide a decorative atmosphere at a price that will fall within budgets.

## Features and Benefits:

- Two series to choose from: round extruded series & shallow fluted extruded series
- All poles available in heights of 10 to 16'
- Can be matched with any of King Luminaire's post top or area lighting luminaires\*
- Ease of installation
- Variety of tenon sizes available
- King Luminaire quality at more cost-effective price
- Quick & Flexible lead times
- Finished with high quality King Coat powder coating system
- Variety of pole styles available
- 3 year warranty

\* consult factory for select pendant options

## Finish:

Standard, premium and custom paint colour available, please contact us for details.

Like all of our metal poles and luminaires, the pole shaft and base of the Agility series is finished with our state-of-the-art "KingCoat" powder coating system, offering a durable and long lasting finish. A sample color selection is shown to the left, but please consult our Color Selection brochure or website for a full array of the colors we offer.

### How to Catalog:

Catalog# - Pole Height - Shaft Diameter (SFE series only)- Color
