

# The Providence

## *Millennium Series*

### *Decorative Aluminum Pole*

#### **Description**

The Providence offers an attractive and classic design that was modeled after the popular aluminum poles used throughout the New England States.

Functional in both historical and contemporary settings, its slender and graceful appearance make it ideal for post top or pendant applications in pedestrian locations such as parks, walkways and city streetscapes.

The Providence is available as a one piece pole and a one piece base, both in heavy aluminum. The pole shall be King Luminaire Catalog Number KM65XX-XX

#### **Material**

The Providence shall be a one piece base with pole shaft specified by the customer, both made of aluminum. All hardware shall be corrosion resistant stainless steel. Anchor bolts to be hot dip galvanized.

#### **Dimensions**

The pole shall be XX' in height with a 18" diameter base. It is available in heights from 8 to 20'. It shall be supplied complete with a 1/2" -13 UNC grounding stud. A tenon shall be provided at top of shaft, 3-1/2" OD x 3 1/2" long. Other size tenons available upon request.

#### **Installation**

The pole shall be supplied complete with 4 anchor bolts, 3/4" x 27", 55 KSI minimum yield strength galvanized to ASTM A-153, with a threaded end, 2 over-sized washers and 2 hex nuts for double nutting. Anchor bolt certification available upon request.

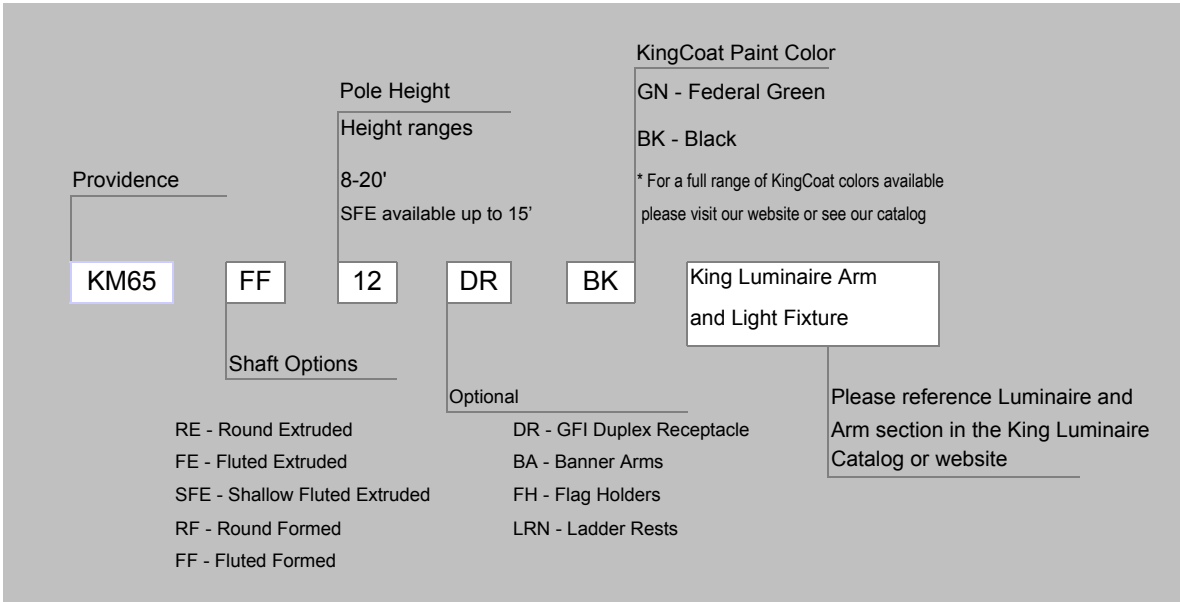

#### **Finish**

The pole shall have a powder coat finish, which utilizes our "King Coat" paint system, offering a durable, long-lasting finish. For color selection, please see our King Coat color brochure in our catalog or website.
